

## DALLAS TEXAS

### *The Heart of the Southwest*

Dallas is the economic, marketing and distribution center of the expanding Southwest. U.S. Cold Storage has been growing with the Metroplex at three facilities in Dallas, Fort Worth, and Arlington. Under one Management Team, U.S. Cold Storage can provide back up and operate different types of programs from each facility for our customers.

### *Some Cold Facts*

- Nearly 6 million cubic feet of frozen and refrigerated warehouse space
- Fully racked for product protection
- Blast freezing - 500 pallet positions
