

# MINOOKA ILLINOIS

## Soaring To New Heights!

To meet the ever expanding needs of the Chicago market we have answered the call for modern space and state-of-the-art services. Serving retailers and manufacturers is a primary focus at the ultimate distribution center in the Midwest.

## Some Cold Facts

- 12.1 million cubic feet of fully racked refrigerated warehouse space, 58 dock doors and 47,000 racked pallet positions (2004 addition)
- Refrigerated loading docks
- PDQ LOGISTICS® Freight consolidation shipping program for outbound product movement
- Rail service provided by CSX
- eUSCOLD® Internet Services
- Additional parking for 90 trailers
- Blast Freezing - 120 pallet positions
- Tempering services

## The Latest in Refrigerated Logistics Services

- Ultra-low temperature storage
- Customer pick-up programs customized to help manufacturers and retailers save money
- RF Barcode Scanning
- The latest computer technology featuring a new in-house software package designed to meet all the needs of today's on-line requirements for communication

## Strategically Located

Ideal crossroads location to serve Chicago and the region. Traveling southwest from Chicago, Interstate 55 crosses Interstate 80 which is the site of our facility. Located outside of the metropolitan area allows us to provide regional distribution to the entire Midwest as well as serving the Chicago market. This location also compliments our operation on the western side of Chicago at our Lyons, IL facility.
