USCS Hires Matthew Hughes for Covington, TN, Post

VOORHEES, NJ – United States Cold Storage has hired Matthew Hughes as an Assistant Manager for the company’s dedicated facility in USCS Covington, TN.

Completed in January 2015, the 9,010,000-cubic-foot facility maintains a -20°F environment for ice cream storage and is dedicated to an adjacent ice cream manufacturing facility owned by Unilever. The operation this year was awarded LEED Gold status in the US Green Building Council’s (USGBC) Leadership in Energy & Environmental Design (LEED) program.

“Matthew comes to us with distribution center management and administrative experience,” notes George Cruz, USCS Senior Vice President, Southern Region. “Most recently, he served as an Operations Manager at Target’s distribution center in Memphis, TN. Prior to that, he also served as Operations Manager at Exel Inc. in Jackson and Memphis, TN, for more than nine years. We are very pleased to have him join the United States Cold Storage team!”

Hughes earned a bachelor’s of science degree in Business Administration from Middle Tennessee State University.

About United States Cold Storage

United States Cold Storage, Inc. (USCS), Voorhees, N.J., is a premier provider of public refrigerated warehousing (PRW) and related logistics services throughout the USA. With roots dating back to 1899, USCS has long served a diverse customer base with requirements ranging from primary storage to fully integrated third-party logistics. The company offers more than 260 million cubic feet of temperature-controlled warehouse and distribution space in 37 facilities located in 13 states including California, Delaware, Florida, Georgia, Illinois, Indiana, Nebraska, North Carolina, Pennsylvania, Tennessee, Texas, Utah and Virginia. USCS is the third largest PRW Logistics provider in North America. It is a subsidiary of the U.K.’s John Swire & Sons Ltd.
